APPOINTMENT OF PRAESIDIUM OFFICER (By Curia or Comitium or by the San Francisco Senatus)

Praesidium Name _____ Name of Parish _____

Name of officer RECOMMENDED for appointment: _____

Name of Higher Council (Granting this Appointment) _____

Position (President, VP, Secretary or Treasurer): _____

Term of Office (First or Second) _____ Date of Appointment: _____

Note: At the Praesidium level, there is no election of officers involved. It is the president of next higher council, the Curia, Comitium or the Senatus who would formally appoint the officer of each Praesidium (as per the HB). "The officers of the praesidium, other than the Spiritual Director, shall be appointed by the Curia. Should there be no existing Curia, the officers shall be appointed by the next-highest governing body. It is desirable to avoid open discussion as to the merits of possible officers, some of whom may actually be present. Therefore, it is the practice, on the occasion of a vacant officership, for the President of the Curia, after careful inquiry (above all from the Spiritual Director of the praesidium in question) with a view to ascertaining the most suitable person, to submit a name to the Curia; and the Curia, if it thinks fit, may appoint that person.

By signing this document, the person, being recommended as officer of the named Praesidium understands and agrees to the duties associated with the named position above which is the regular attendance of the monthly council meeting. The recommended officer also attests that he or she is a Catholic in good standing and agrees to accept, promote, practice, declare and be faithful to the magisterial teachings of our Catholic Church.

Does officer understand these duties to the Legion of Mary and to the Catholic Church?
